

Student Loan Forbearances are coming to an end. What are your options?

As we return to normal, post-pandemic, it is important to note that as of May 1st, 2022, student loan forbearances and 0% interest will end. Do you have a plan for when interest begins to accrue and when your next payment is due?

Join GreenPath Financial Wellness, a Nymeo Partner, and explore repayment plan options, including income-based repayment and strategies to cure delinquent loans.

Who Should Attend?

- All individuals with active federal student loans
- All students graduating with student loan debt
- Parents interested in helping their children understand their student loan repayment options

What You Will Learn:

- How to make your student loan payments affordable
- How to leverage income-based repayment plans
- How to bring past-due loans current and start to rebuild your credit
